The Texas College Work-Study Program provides financial need-based awards to students in the form of part-time employment. If the employer is a nonprofit entity, it pays at least 30 percent of the student's wages plus any appropriate benefits; the work-study program pays the balance. If the employer is a for-profit entity, it pays at least 50 percent of the wages plus any appropriate benefits; the work-study program pays the balance. Data amounts in fourth quarter FY2003 may differ slightly. Numbers here reflect final awards after cancellations and returns.
